FREQUENTLY ASKED QUESTIONS

What Do I Need to Book a Photo Booth?

All we require is a 50% Non-Refundable retainer and a signed agreement to lock in your date. Final payment for the event is due 2 weeks prior to the event date.

How Much Space and Electricity is Required?

For MOST of our products/services, an 8x8 space within 50 feet of a standard 3 prong 120 volt outlet is required per booth.

Space Requirement Exceptions:

Exceptions to this rule include (but are not limited to) our 360 Booth, Selfie Booth, Ski Lift Booth, White Water Raft Booth, Giant Snow Globe, and other custom sets.

Please inquire for space requirements for these products.

When Will I Get My Pictures?

After your event, you will receive an online gallery of all your photos, GIFs, videos, etc., from your event.

We strive to send these out within 7 days after your event.

Who Will Be Working My Event?

All booths other than the MiHi Selfie/Boomerang Booth will be staffed by our amazing attendants.

You will receive an email one week prior to your event with your attendant's name.

What's Included in the Cost?

Our prices include set and stike time, and any applicable taxes. The following fees will be applied as dictated by specific event needs:

Location Fees:

The location of your venue is important information for an accurate price quote. We have fees for mileage, drive time, possible lodging to locations outside of the immediate area. We also have fees for downtown parking.

Prime Holiday Dates:

National Holidays and Thursday, Friday & Saturday nights in December are subject to a minimum spend and premium date fees will be applied to your quote.

Pricing listed and availability of equipment and staff are subject to change without notice. Please contact MiHi when you are ready to confirm your date, activation, and pricing with a contract and retainer. Additional fees may apply depending on location.

How and When Do I Pay For My Event?

We accept all forms of payment: Credit Card, Check, and Cash. A 50% retainer is due at the time of booking, and the remaining balance is due two weeks prior to your event.

A credit card processing fee will be applied to all payments made with a credit card.

Can You Do Outdoor Events?

Yes, however there are extra requirements for our outdoor booths:

- *Our backdrop must be setup against a solid wall*
- *Our equipment and staff must be protected from all weather elements*
- *The angle of the sun can affect the quality of your photos*

Having us in a shady area can help but is not guaranteed. Our on-site staff can make recommendations to guarantee photo quality and also has the right to shut down the booth if weather conditions are poor and no indoor alternative can be provided. If electricity is not available within 50ft of the booth then alternative sources must be provided.

Ask us about a generator rental!

Can I Put My Logo on the Photos?

Absolutely! Our basic packages include choosing your own photo layout design from our Lookbook of pre-made designs, many of which allow space for a logo.

If you want a Custom Layout, you will need to upgrade to a custom photo layout design which will be created by our Graphic Designer, who will use your logo on the design.

Where Does MiHi Operate?

MiHi Entertainment is a Nationwide Company, however some of our equipment such as our Large Snow Globe, White Water Raft, Ski Light Booth, etc., are exclusive to Colorado where we are headquartered.
